Find industry reports using the keyword or NAICS input box accessible from every page.

Find industry reports by using the **Drilldown** that parallels the standard NAICS-6 system.

We've expanded it to form our "NAICS 6+6" taxonomy to accommodate thousands of additional industry segments

Industry Search Page Navigation

Many users begin by searching for the industry they want to research or benchmark.

The screenshot shows the BizMiner website's 'Industry Search' page. At the top, the BizMiner logo is on the left, and 'US TOLL FREE 866-863-9853 | Login' is on the right. A blue navigation bar contains links for Home, Industry Search, Our Products, Subscriptions, Resources, and About BizMiner. Below the navigation bar, a breadcrumb trail reads 'You Are Here: Industry Search'. On the left is a vertical sidebar with links: Home, >> Industry Search, Keyword or Industry Code, Industry Drilldown, New Search, Our Products, Subscriptions, Resources, About BizMiner, Cart, and Contact Us. The main content area is titled 'Industry Reports Search Tools' and contains three sections: 1. Input Keyword or Industry Code (with a search input field and 'Go!' button), 2. Industry Drilldown (with a list of industry categories like Agriculture-Forestry-Fishing-Hunting, Mining-Quarrying- Oil & Gas Extraction, Utilities, Construction, Manufacturing, Wholesale Trade, Retail Trade, and Information), and NAICS-SIC crosswalk (with a search input field for SIC to NAICS and a 'Search' button). A list of industry categories is also shown on the right side of the page. Red arrows point from text annotations to various elements: one to the search input field, one to the 'Industry Drilldown' link in the sidebar, one to the 'Search' button in the 'Industry Drilldown' section, one to the 'NAICS-SIC crosswalk' search input field, and one to the 'See next page.' text.

Input **NAICS** code or **Keyword** here.

Find industry reports by using the **Industry Drilldown** tool.

BizMiner's NAICS 6+6 aligns fully with the standard NAICS-6 in use by the US and other North American governments – while continuing to offer our clients extended industry granularity.

For more information, click here to go to the **Industry Search Tips** page located in the Technical Briefs section of the website resources.

The drilldown option displays the “parent/offspring hierarchy of industry segments.

See next page.

Use the **Crosswalk** tool by inputting a **SIC** code to find potential NAICS matches.

Industry Search – Hierarchy

The search tools let you start from a broad classification and view more specific industries showing all “offspring” lines of business we report on.
